"Prime Minister Morarji R. Desai's Government ordered tighter security tonight on the Indian railways and at power, communications and other vital installations". (U)

NOTE: The AM is basically a religious organization concerned with social services and peaceful social reform. It was founded in India by P. R. Sarkar, who is imprisoned in India for conspiring in the murders of several former followers who defected from AM. Recently, there have been attacks directed at Indian establishments and citizens within the United States and UPRF has claimed responsibility for these attacks. UPRF alleges to be a front organization of AM. However, AM leaders vehemently deny any affiliation with UPRF or any of the attacks claimed by UPRF. AM is headquartered in the United States in Denver, Colorado, and AM leaders in Denver and other U. S. locations have initiated contact with our offices offering to be of assistance in identifying those individuals responsible for the attacks directed against Indian personnel and establishments. We are investigating these attacks as criminal investigations under the PFO statute, and no separate domestic security or foreign counterintelligence investigation is warranted at this time. Should such investigation appear necessary at a later date, same will be instituted and appropriate offices notified.

organization of the Ananda Marga. For Tokyo's additional information, the Ananda Marga and the UPRF are not subjects of separate Domestic Security or Foreign Counterintelligence investigations. The investigations concerning the acts of terrorism allegedly committed by the UPRF within the U. S. are being handled as Protection of Foreign Officials and Neutrality Act matters.

NOTE: The Ananda Marga is basically a religious organization concerned with social services and peaceful social reform. It was founded in India by P. R. Sarkar, who is imprisoned in India for conspiring in the murders of several former followers who defected from the Ananda Marga. Recently, there have been attacks directed at Indian establishments and citizens within the U. S. and the UPRF has claimed credit for these attacks.

STABBING OF SILLA KOTESWAR, ATTACHE,

EMBASSY ANNEX, LOCATED AT 2536  
MASSACHUSETTS AVENUE, N.W., WASHINGTON, D.C.,  
NOVEMBER 28, 1977  
PROTECTION OF FOREIGN OFFICIALS-ASSAULT-CRIMINAL

At approximately 6:45 p.m., November 28, 1977, Silla Koteswar, Attache assigned to the Indian Embassy, was stabbed by an unknown assailant outside the Indian Embassy Annex, 2536 Massachusetts Avenue, N.W., Washington, D.C. (WDC). An Embassy security guard removed two knives from Koteswar's back and Koteswar was transported to the George Washington University Hospital, where he underwent successful surgery. Investigation by the Metropolitan Police Department (MPD), WDC, and the Federal Bureau of Investigation (FBI), at the Indian Embassy Annex after the stabbing reflected no information relating to the individual responsible for the assault on Koteswar.

On November 28, 1977, the Indian Embassy, WDC, received a threatening letter signed by the Universal Proutist Revolutionary Federation (UPRF), North American Command, United States Division, which demanded the unconditional release of P.R. Sarkar and stated that if this was not done "blood is on your hands." (S) (u)

On December 1, 1977, [REDACTED] received a letter addressed to Moraji Desai, Prime Minister of India, advising that the UPRF was taking credit for the stabbing of Koteswar and signed UPRF, United States Division, North American Command. The letter stated, "The Universal Proutist (S) (u)

Revolutionary Federation again had to take action because you did not meet our demands. UPRF demands the immediate and unconditional release of political prisoner P.R. Sarkar. Now you can see that the attack on the Government worker in Washington was done by the UPRF. One Government worker or airlines worker will die for every two weeks that P.R. Sarkar remains in jail. We have been reading the India Airlines mail. We know about your plan to identify the supporters of the seven activist groups you have named, including the Jarsingh Party and the Socialist Party of India, and to sell them tickets and when they arrive in India, not to let them into the country. You Moraji Dasai, and your Government are corrupt. You are trying to decide the people of India, but it will not work. Release P.R. Sarkar, the founder of Prout and the one man who really cares about the welfare of the people of India; until you do, more Indians will die. Their blood is on your hands. (S) 84

[REDACTED] that some individuals in the AM espouse Proutist philosophy, but generally the membership does not, and that he could provide no information regarding the stabbing of Koteswar.

the monks are referred to as DaDa and the nuns as DiDi. Once appointed as a DaDa or DiDi, the individual is assigned to a country other than his or her birthplace, so that they are no longer tied to any personal obligations. AM training consists of teachings of the social and spiritual philosophies of Prout and the importance of discipline. Prout stands for the Progressive Utilization Theory espoused by the AM leader P.R. Sarkar, who currently is imprisoned in India.
